Re: Your File Not Known - SSJR File 06004-L0210A
RTC Industries, Inc. v. Fasteners for Retail, Inc. 1:18-cv-00861 (non-party witness)

Dear Mr. Dokhanchy:

Our firm has been retained to represent Trion Industries, Inc. in its ongoing discovery discussions regarding Fasteners for Retail, Inc.'s ("FFR") subpoenas dated August 30, 2021 relating to the above captioned matter.

We understand that counsel has received certain documents in response to those subpoenas and that those documents may not have been marked pursuant to the Protective Order covering the litigation, although we understand counsel has been instructed that those documents are to be treated as "Highly Confidential – Attorney's Eyes Only." To the extent counsel is in possession of such unmarked documents, we ask that you please destroy all physical and digital copies, and we will provide properly marked substitutes in due course.

We also would like to better understand the outstanding information that FFR still requires. To that end, please provide your availability for a teleconference on Monday or Tuesday of next week; we are generally available either day. We look forward to working with you to arrive at a mutually agreeable arrangement to facilitate your defense against RTC's claims.

Respectfully,

Stephen S. Zimowski
